Outrigger Marquee

The Outrigger is a multipurpose function venue perched at the end of Catseye Beach. There is an internal area surrounded on two sides by floor to ceiling windows and doorways, one side opening onto an extensive lawn area and the other to a marquee area. It is the ideal venue for your wedding. The views of Catseye Beach are breathtaking and spectacular from every angle during the day. As the sun goes down the lights of the resort provide the perfect ambience for your special event.

The Outrigger has a capacity for up to 200 guests.

**Please note, the pricing outlined in this document is based on the 2018 pricing for the specific products and services listed. Your total wedding cost will be based on the specific products and services chosen by you and subject to change as outlined in our terms and conditions.*
